\*PAST PRESIDENT

Enclosed you will find the information necessary to enroll your daughter in Torah Academy. As you may know, our school has been in existence for almost nineteen years and has been enjoying tremendous success. B"H, we have had a consistent enrollment of about 45 students. We have had the opportunity to update our curriculum, both in the Judaic and Secular studies. Just to mention a few of these updates; we cyclically upgrade all of our textbooks, offer college level courses in English, History and Street Law, have incorporated electives, such as nutrition, building relationships, forming stained glass, speech and communication. We are also very proud of our membership in the North Central Association/AdvancedEd and have impressed the Association with the outstanding academic and professional accomplishments of our students and our alumnae.

We have tremendous feelings of hakaras hatov to Hashem and continued great excitement for our beautiful new, state of the art school building. The facility offers our students wonderful opportunities, such as an inspiring davening room and a gym/lunchroom that is used for physical education classes, all school lunches and an array of special programs, as well as play practices. Natural light floods the building and the numerous amenities allow the students to strive for greater successes in their educational pursuits.

Our school enjoys a unique warmth and camaraderie between the students and their teachers. On the extra-curricular side of the school, we are constantly incorporating new and exciting ideas and changes. We hope to implement even more events and are looking forward to sharing them with you and your daughter.

Though the Board of Directors has not yet officially set tuition for the 2010-2011 school year, the present tuition is \$7,200. In addition, there is a \$125 registration fee, a \$125 book fee, a \$125 activity fee and a \$50 technology fee. The give or get fund raising responsibility has been \$2,250 per family. Scholarships are available through the Helen Bader Foundation/Jewish Federation Scholarship Fund. The appropriate forms can be obtained through our office. Our school offers additional scholarships, when necessary. For out of town students, boarding costs are additional.

Please complete and return the enclosed application by March 1 (Shushan Purim), as we are attempting to formalize plans and scholarship information for the coming school year. We request that you review the 2009-10 Handbook with your daughter, before signing the application forms, as your signatures constitute consent to school expectations. Interviews should be scheduled no later than May 14 (before Shavuot), so that acceptance decisions can be made by the beginning of June. If you have any questions, please feel free to contact us. We'd be happy to schedule a time to meet with you.

Sincerely,

Mrs. Sora Rauch, Principal

Ms. Francie Shea, Director of Secular Studies
